To Advertisers.—The Vermont Daily Transcript has the largest circulation in St. Albans and in Franklin County, of any daily paper, and is, on that account, the best medium for advertising.

Local Items.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

No PAPER TO-MORROW.—On account of putting into our office a new engine, which throws us somewhat into confusion, there will be no Daily issued to-morrow. Thereafter the Daily Transcript will be issued with an increased amount of reading matter. We shall have more to say concerning our improvement in a future issue.

FOR AN ACCOUNT OF A HORRIBLE MURDER IN HINESBURGH, see first page of today's Transcript.

TO PLATTSBURGH.—We were in error in our statement last Saturday, in including the route from St. Albans Bay to Plattsburgh in the free list. The River Queen will run for fare one way, that is, \$1.00 for the round trip.

FIREFAX.—On Friday evening, Oct. 2nd, the barn of Mr. H. Weaver took fire by the upsetting of a Kerosene lantern, and was consumed with its contents. Loss, \$350; no insurance.

MR. WESLEY, T. Bishop has sold his farm of three hundred acres together with crops, stock and farming tools, for \$11,500, to Capt. A. J. Merrill.

BASE BALL.—A match game of base ball will be played at Malone, N. Y., on Wednesday next, the 7th inst., between the Tri-Mountain Club, the champions of Massachusetts, and the St. Lawrence Club, the champions of Northern New York.

THE HURLEY AFFRAY.—The hearing before Justice Sherman on Saturday, resulted in the discharge of Doyle; Conlin was ordered to find bonds in the sum of \$500, for his appearance at the County Court, and the bonds were produced. McGarvey was held to bail in the sum of \$1,000, and in default was remanded to Jail. We understand that upon application of the respondents, the States Attorney will immediately file information against them at the County Court, with a prospect that they may have their trial at this term of Court.

NOTICE is hereby given, that application for Letters Patent will be made for an improvement in dry-houses. A sample number is finished and may be seen at the crossing of Thomas and Bishop Streets, and is said to have been originally designed for a Corporation well. The work is substantial and is eighteen feet deep, the lower eight feet is built in solid rock. I do not claim the invention as my own, but what I do claim is, the application of the building to the purpose described, there is no water to hinder it.

TAX PAYER.

DEATH OF H. H. WOODS.—We learn from the Times, and announce with sadness, the death of H. H. Woods of Milton, which occurred at Milton about midnight of Saturday. The sad event was not unexpected, as he had been failing rapidly for several days. A severe fall some four weeks since undoubtedly produced the internal injuries which have terminated so fatally. Possessing a fine disposition, excellent business talent, and a character above reproach, he was one of the most active and popular young men in the county. Burlington was almost as much a home to him as Milton; for here were many business associations. In 1861 a member of the firm of J. P. Clark & Co., and since May last as successor to E. O. Wires & Co., has been always a good part of our community. Mr. Woods never sought public office, yet he represented his fellow citizens with honor for two years past in the General Assembly. Due notice will be given of his funeral.

PREPARATIONS FOR THE PLATTSBURGH RALLY.—In response to the wishes of "many citizens," a goodly number of our Republican townsmen assembled at the Court House on Saturday evening last. Col. Benton called the meeting to order, and explained the objects of the meeting.

Upon motion of Edward A. Smith, Col. Benton was elected President of the meeting and E. A. Smith was appointed Secretary. Col. Benton stated that inasmuch as the Grant Club numbered only about 20 members, as one of the members himself, he had not thought it advisable for the organization to attempt to monopolize "the rally," which would undoubtedly result in many hundreds going from this town. It was thought advisable that the movement should be made under the auspices of the Republican organization of the town, and the Town Committee was authorized to procure the services of the Band, and make all necessary arrangements.

At a subsequent meeting of the Town Committee, consisting of A. O. Brainerd, D. R. Potter, and Guy C. Noble, the following arrangements were made: The services of the Band was secured for the occasion, for the sum of \$75, and expenses paid. Application has been made to the Band to attend the Democratic meeting, which occurs at Keeseville the same day, but the result is as stated.

Maj. J. W. Newton, was appointed chief Marshal with the following able corps of assistants: F. S. Stranahan, Joseph W. Taylor, E. D. Fuller, E. P. Brainerd, and W. H. Farrar. Standard Bearer, L. J. Sweet, Committee on raising money to defray Expenses, E. D. Fuller and Crom Bowen, Business Committee, Henry K. Adams, A. G. Safford and E. A. Smith.

Ample provisions have been made for free transportation by Railroad from St. Albans to Burlington, and from there to Plattsburgh by steamers. Free tickets for the excursion, may be obtained from the Town Committee at the store of Brainerd Bros. on Lake Street, from the present time to the morning of the 7th inst.

A special train will leave Swanton at 10 o'clock on Wednesday morning and St. Albans at 8 o'clock, in season to reach the boats at Burlington. Free excursion trains will also be run over the Vermont Central, from Northfield to Burlington. Passengers will be returned free on the regular trains; now for a "grand old time."

SWANTON FOR PLATTSBURGH.—We understand that their is a prospect that "Munsell's Band" of Swanton will accompany the Swanton Delegation to Plattsburgh.

BURLINGTON BUSINESS COLLEGE.—The fall term of this College will open October 5th, and continue in session during the year. Our readers will remember that this institution is to be a consolidation of the Bryant and Stratton College at Burlington and the Vermont Commercial College at St. Albans, under the instruction of J. H. Lansley as proprietor. The new college will open with excellent facilities for young men and young ladies to gain a thorough business education. The rooms are being refitted and renovated, with a view to comfort and convenience. Prof. S. M. Pratt, of the St. Albans College will be one of the instructors.

FULTON MARKET.—Just received, a nice lot of Dried Beef, Sugar Cured Ham, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

STORE PIG FOR SALE.
I HAVE a Barrow Pig of about five months old, which I will sell to some person who will feed it till it is a year or more old. It is a pure Chester White, bred by Mrs. Henry Eaton of Barton, and is essentially a good feeder, never having eaten over two bushels of grain, and less than half a cation of pork the rest of his feed having been grass and weeds. I believe it is the best shoat in this county, and being a right combinator, worth the most money per lb. for feeding purposes. Price—\$10 a pound.
